

Thank You

for choosing us

you're holding the first thing we ever made

no investors, no factory connections, no idea if this was gonna work. Just four of us, way too many late night calls, and a supplier we fought with more than we'd like to admit.

you ordering this is the only reason ABG gets to exist past one drop. genuinely.

so, thank you. not the corporate kind. the actual kind.

as a thank you (and a bribe to come back lol), this card comes with your own 10% off code. one-time use, just for you:

activates within 1 week after drop 2 — we'll be in your inbox when it's live next collection's already moving. get on the waitlist before everyone else does:
